

Challenger T1 Telescope Umbrella 350x350cm Manhattan

Product Categories: [Umbrellas & Bases](#), [Aluminium](#)

Product Page: <https://komodromos.com.cy/product/challenger-t1-telescope-umbrella-350x350cm-manhattan/>

Product Summary

This large parasol with telescopic function opens and closes easily above your set, without having to move furniture or the parasol first.

At the push of a button, the mast automatically slides up, after which you have enough space to open or close the parasol.
