

## Shadowflex Umbrella Round 350cm Natural Polyester

**Product Categories:** [Umbrellas & Bases](#), [Aluminium](#)

**Product Page:** <https://komodromos.com.cy/product/shadowflex-umbrella-350cm-natural-polyester/>

### Product Summary

Our suspended Shadowflex cantilever parasols are light, and easy to place and put up. The Shadowflex parasols feature a flex function, which means the parasol can easily be adjusted in all directions. The Shadowflex is made of polyester and is available in a variety of colours. Polyester is the ideal fabric for a parasol because it is strong, hardwearing, colourfast and dirt repellent.
