

Sunline R.300cm Olive

Product Categories: [Umbrellas & Bases](#), [Aluminium](#)

Product Page: <https://komodromos.com.cy/product/sunline-r-300cm-olive/>

Product Summary

Our Sunline parasols are light, and easy to place and put up. The Sunline is made of polyester and is available in different colours. Polyester is the ideal fabric for a parasol because it is strong, hardwearing, colourfast and dirt repellent. The **crank mechanism** makes it easy to unfold the fabric. Too much sun? Quickly create a comfortable spot of shade and enjoy the garden.
